Dear Campership Applicant,

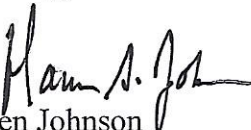

Thank you for your interest in *Camp Good News*® (CGN). The Campership Program makes donated funds available to help cover the cost of camp for children who couldn't otherwise attend. Because the funds are limited, we feel it is necessary to allocate Campership donations to those who have the greatest need for assistance. Therefore, we request you fill out the 2019 CGN Campership Application on the reverse side of this letter to help us in determining your child's need. Please return it to us as soon as possible since allocations are made as donations come in.

A \$125.00 deposit and completed registration form for each child for whom a Campership is requested MUST accompany this Campership application. This \$125.00 deposit helps us spread out the limited funds to as many children as possible. If the child is accepted and should have to cancel prior to camp, the deposit will be refunded only if cancellation is made two weeks prior to the first day of your child's camp session or, the space is filled. **PLEASE NOTE:** If your application is denied your deposit will be returned to you in full.

For those not awarded a Campership, other options to reduce the cost of camp are available. Our multi-family discount reduces the camp fee by \$25 for each additional child registered from the same immediate family. We also have a Workership Program which allows the camp fee to be reduced by \$100 if the accepted staff member (18 years of age or older) requests this discount for a child of their choice; these are extremely limited though so once we are out we will not be awarding any more for the year. Only one type of discount will be awarded to any given child. For more information on these programs, please call the camp office weekdays at 461-1146.

If your child is awarded a Campership, please encourage him/her to write a thank you note to the donor. The name of the donor will be provided to you on your child's Camper Registration Confirmation letter. Please mail any thank-you notes to us so that we can forward them on to the donor.

Sincerely,

Darren Johnson

Camp Director
